CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Certain statements in this press release may constitute “forward-looking statements” for purposes of the federal securities laws. Such statements are based on current expectations that are subject to risks and uncertainties. In addition, any statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements.

The forward-looking statements contained in this press release are based on the Company’s current expectations and beliefs concerning future developments and their potential effects on the Company. There can be no assurance that future developments affecting the Company will be those that the Company has anticipated. Forward-looking statements involve a number of risks, uncertainties (some of which are beyond the Company’s control) or other assumptions. You should carefully consider the risks and uncertainties described in the “Risk Factors” section of the Company’s 2023 Annual Report on Form 20-F, filed by the Company on April 29, 2024, and other documents filed by the Company from time to time

with the Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should any of the Company's assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
